There was a Motion made and carried to adopt. The following Resolutions were as follows:

Whereas it has pleased God in his infinite wisdom to remove from our midst by death our beloved Principal and Instructor

Rev. Dr. Shipherd and whereas we as members of the Philo society feeling the debt of gratitude we owe to the departed desire to express our regard and esteem for him whom we recognized as the head of our society and our appreciation of his earnest and effective labor in our behalf therefore be it

Philo. Hall Feb 25. 1864.

2nd Resolved That while we bow in humble submission to the will of the Supreme Ruler we can not but deplore the loss of one who labored so zealously for the success of our society and who had ever its best interest at heart. Resolved That in his removal the society is deprived of one who has been its chief supporter and benefactor and to whom it is under great obligations for the aid received from him especially in the formation of its library.

3rd Resolved That in his death we lose an instructor who has labored patiently and earnestly for our welfare and whose living kind indulgent and ever faithful to our interests we learned to love as a parent and whose place we know not how it may be possible to fill.

4th Resolved That although we are deeply grieved at the loss of one so dear to us, we will ever revert to the scenes of Old Cornwallis and the happy hours spent while under the direction of our departed preceptor with pleasing remembrance and hold the noble exemplar of our beloved Professor as one worthy of our imitations.

5th Resolved, That wishing to extend our sympathy to the bereaved family we shall cheerfully and rejoice in the assurance that his labor has extended into his rest and his works do follow him.

6th Resolved That a copy of the above be given to the family of the deceased and also to be published in the Hayville Journal and placed in the record of Society.
